Greetings from AIPPI Korea

Dear AIPPI Members in China and Japan,

The members of AIPPI Korea are honored to welcome you to the AIPPI Trilateral Meeting 2014 in Seoul.

The three groups of AIPPI, i.e. AIPPI China, AIPPI Japan and AIPPI Korea have a beautiful tradition of visiting their friends every year and discussing topics of mutual interest. The Korean Group of AIPPI is very pleased to host for the Trilateral Meeting this year in Seoul. The meeting will provide a forum for discussion of issues on intellectual property protection and strengthening friendship as well.

Attendance to this meeting, in addition, will provide you an opportunity to have a better understanding of Korean culture as well as active economy of Korea.

We look forward to seeing you in Seoul.

Seong-Ki Kim
President, AIPPI Korea

Overview of Seminar Topics

Topic I - Latest information on IP system in each country

The speakers will introduce recent developments in laws, practices, court rulings, and/or national policy concerning intellectual property in China, Japan and Korea.

Topic II - Second medical use or indication claims

This topic will bring the audience the opportunity to learn about and compare the laws and practices in the three countries concerning the type, scope and enforcement of patent protection for new uses of known chemical compounds when a known substance is found to have a new therapeutic use.

This topic corresponds to AIPPI Working Question Q238.

Topic III - IP licensing and insolvency

In this session, the speakers will present on the law and practice concerning the treatment of IP license agreements during bankruptcy or insolvency proceedings. In particular, it will be discussed as to whether an administrator of bankruptcy or insolvency proceedings may adopt, modify, or terminate IP license agreements and liquidate IP rights underlying the license agreements.

This topic corresponds to AIPPI Working Question Q241.

Accommodation – The Ritz Carlton Seoul

Its classical, antique-style design is inspired by that of the 18th century Palace of Versailles, while its unique exterior, which soars upward like a series of steps, following the contours of the land on which it is built, has become one of Gangnam's local landmarks. The area in which the hotel is located, Gangnam, has not-to-be missed tourist attractions and a myriad of shopping options designed to appeal to the people. From Gimpo International Airport, it is a 30-minute trip on subway Line No. 9 to the hotel. From Incheon International Airport, it takes about 70 minutes by KAL Limousine Bus No. 6703, which stops between Gate No. 4 and No. 5.

Room Rate	Room Type
KRW 290,400 (per night)	Superior Deluxe Room
	Single bed

Note:

- * Check-in from 15:00, Check-out by 12:00.
- * VAT and service charge are included.
- * Breakfast for one person and WiFi internet are included in all room types.
- * Accommodation payment should be made to the hotel individually when checking out.

Excursion

KOFIC Namyangju Studios

Namyangju Studios is the biggest filmmaking complex in Asia. You can experience all stages of film production from beginning to end. Outdoor sets comprises a full replica of the Joint Security Area, “Panmunjeom” at the border between the North and South Korea where the Korean hit “JSA” was filmed in 2000. Further, you can visit a Korean traditional houses set for the very recently released TV drama, “You who came from the Stars” that is now popular in China as well as Korea.

Nami Island

The island in the Han River first emerged as a popular travel destination among Japanese tourists who were attracted by the famous scene from the Korean TV drama “Winter Sonata,” shot on the island. Now, it has become a global travel destination for its cultural and artistic charms combined with the serene nature. It recently “declared” cultural independence and invented its own passport, currency and stamp, naming the island “The Republic of Naminara.”

Han River Cruise

Han River Cruise is one of the best ways to enjoy the scenery around Han River that flows through Seoul. On the cruise, you can see Han River's beautiful night scenery, the surrounding islands, Jeoldusan Park, the 63 City Building, N Seoul Tower, Jamsil's Multi Sports Complex, and other famous tourist places. Cool wind from the river, the surrounding scenery, which get more beautiful in the evenings, are the rewards the ferry cruise can offer you.

Golf

Giheung Country Club is located near the Samsung Semiconductor facilities. The golf course is designed to take advantage of the beauty of the surrounding mountain like a folding screen, and you can also enjoy the panoramic view of all of 18 holes from the club house.
